One Potion in the Grave Heather Blake,2014-10-07 From the author of the Wishcraft Mysteries Carly Bell Hartwell's love potions are always in demand in Hitching Post, Alabama, the wedding capital of the South.... When Katie Sue Perrywinkle walks into the Little Shop of Potions, Carly is surprised and delighted to see her old childhood friend. Katie Sue fled her hometown and a troubled family over a decade ago. But she's not back for a social visit. She's come to settle a score with Senator Warren Calhoun, who is in town for his son's high-profile wedding. But before Katie Sue has a chance to voice any objections, she's forced to forever hold her peace. After finding her friend dead, Carly vows to find her murderer. Were the corrupt Calhouns willing to go to any lengths to avoid a scandal? Did Katie Sue's family take the term "bad blood" to a whole new level? And why did the bride-to-be come to Carly for a love potion? As Carly gets closer to the truth, a killer is planning a very chilly reception....

Last Train to Babylon Charlee Fam,2014-10-28 A sardonic young woman must face the demons of her past when a high school friend commits suicide in this "startling coming of age story" (Kirkus). Recent college grad Aubrey Glass has a collection of potential suicide notes—just in case. And now, five years—and five notes—after Aubrey has left her hometown, her former best friend Rachel is the one who goes and kills herself. Aubrey can't believe her luck. But Rachel's death doesn't leave Aubrey in peace. There's a voice mail from her former friend, left only days before her death, that she can't bring herself to listen to—and worse, a macabre memorial-turned-high-school-reunion that promises the opportunity to catch up with everyone . . . including the man responsible for everything that went wrong between Aubrey and Rachel. In the days leading up to the funeral and infamous after-party, Aubrey slips seamlessly between her past and present. Memories of friendship tangle with painful new encounters, while underneath it all Aubrey feels the rush of something closing in, something she can no longer run from. And when the past and present collide in one devastating night, nothing will be the same again.

Dog Man Martha Sherrill,2009-08-04 *Dog Man: An Uncommon Life on a Faraway Mountain* is a stunning portrait of the Japanese rebel who single-handedly rescued the 4,000-year-old Akita dog breed. At the end of World War II, there were only 16 Akita dogs left in Japan. Morie Sawataishi became obsessed with preventing the extinction of the 4,000-year-old Japanese dog breed. He defied convention, broke the law, gave up a prestigious job, and chose instead to take his urbanite wife to

Japan's forbidding snow country to start a family, and devote himself entirely to saving the Akita. Martha Sherrill blends archival research, on-site reportage, and her talent for narrative to reveal Sawataishi's world, providing a profound look at what it takes to be an individual in a culture where rebels are rare, while expertly portraying a side of Japan that is rarely seen by outsiders.

Ocejwcd Study Companion Charles Lyons, 2012-08 This book is a study guide for any candidate preparing for the Java EE Web Component Developer exam (Oracle Exam 1Z0-899). It contains the theory behind how the Web container works, and important notes, hints and tips on the types of 'trick' questions to look for in the exam. By combining logical and easy-to-follow discussions with clear visual aids and diagrams, you will wonder by the end of the book why servlets, JSPs and tag libraries seemed so complicated before! By combining the theory taught in this book with practical experience, you will not only succeed in passing the exam, but will do so confident that you are able to solve problems and draw-up solutions 'on the job'. Reference Material Have you ever found that you couldn't quite remember the names of the XML elements or attributes in the Deployment Descriptor or Tag Library Descriptor? Or perhaps you've had problems recalling custom tag life cycles? Not a problem! Helpful visual diagrams show 'at a glance' the important schemas, without having to resort to knowing the XML Schema or DTD languages, as used in the specifications. Who is this book suitable for? This guide assumes very basic prior knowledge of the Web container and the Extensible Mark-up Language (XML) core syntax. Servlets, JSPs and associated frameworks and Web application deployment are all presented beginning with the basic theory to ensure complete and thorough understanding. In addition, particular attention is devoted to the subjects of the Expression Language, custom tag libraries, annotations and asynchronous requests which are new or updated in the latest version of the exam. Key Features 1. Complete coverage of all objectives including annotations, modular deployment and AJAX support. 2. Authored by a Java developer who has helped thousands to pass the exam. 3. Theory introduced in an easy-to-follow, step-by-step manner. 4. Content split into manageable chapter sizes with clear objectives. 5. API details presented in condensed bulleted lists to make memorising easy. 6. Text reinforced with over 80 diagrams and figures to summarise key or difficult ideas. 7. 350 exam-style end of chapter questions with detailed answers. 8. One free online mock exam.

A Darker Dream Amanda Ashley, 2011-07-05 In all his four hundred years, Rayven never met a woman like Rhianna McLeod. She is a vision of light, of warmth, of everything he is not—nor can ever be. Doomed to live forever in darkness and solitude, he knows all too well the risk in getting close to her, yet he hungers for her with a fierce passion he swears he will never allow himself to feel. Rhianna's father sold her to Rayven to put food on the table so she had no choice but to go with the dark stranger. To her surprise, he gives her everything she wants the finest clothes, education, and the run of the castle everything, that is, except his touch. For although she senses danger beneath the soft-spoken manner, although even Rayven himself warns her to stay away, she is drawn to this creature of the night, and loves him as she will no other.
