The Meaning of Sexual Identity in the Twenty-First Century Judith S. Kaufman, 2014-06-12 Something happened in the 1990s; a group of people who were perceived as radical and unmentionable were transformed into a group of people who deserved human rights, and, if you looked close enough, were normal, just like everybody else (John DOCOEmilio (2002). Had a post-gay era (Ghaziani, 2011) begun? And if so, how might this impact on the meaning of sexual identity and a political movement steeped in identity politics? Have the LGBT youth of today been duped into conformity because...

**Monmouth Council Boy Scouts** Dave Wolverton, 2003 Created in England at the dawn of the twentieth century by Boer War hero Sir Robert Baden-Powell, the Boy Scout movement reached America in 1910. Scouting spread like wildfire to Atlantic Highlands, Freehold, Long Branch, Red Bank, and nearly every other town in Monmouth County, New Jersey. Blending equal parts outdoor adventure, American patriotism, and hometown values, Monmouth Council has been instructing Scouts in the tradition of civic duty since 1917. Tens of thousands of Monmouth County Scouts have taken pride in the art of tying a square knot, the pageantry of the court of honor, and projects that benefit the local community. Monmouth Council

Boy Scouts contains a distinctive collection of images featuring an inside view of the Order of the Arrow and the other Boy Scout programs, the camps at Forestburg, Burton-at-Allaire, and Quail Hill, hiking trips to Philmont, National Jamboree tours, and many other Boy Scout events.

**Leadership Is an Art** Max Depree,2011-06-22 In what has become a bible for the business world, the successful former CEO of Herman Miller, Inc., explores how executives and managers can learn the leadership skills that build a better, more profitable organization. Leadership Is an Art has long been a must-read not only within the business community but also in professions ranging from academia to medical practices, to the political arena. First published in 1989, the book has sold more than 800,000 copies in hardcover and paperback. This revised edition brings Max De Pree's timeless words and practical philosophy to a new generation of readers. De Pree looks at leadership as a kind of stewardship, stressing the importance of building relationships, initiating ideas, and creating a lasting value system within an organization. Rather than focusing on the "hows" of corporate life, he explains the "whys." He shows that the first responsibility of a leader is to define reality and the last is to say thank you. Along the way, the artful leader must: • Stimulate effectiveness by enabling others to reach both their personal potential and their institutional potential • Take a role in developing, expressing, and defending civility and values • Nurture new leaders and ensure the continuation of the corporate culture Leadership Is an Art offers a proven design for achieving success by developing the generous spirit within all of us. Now more than ever, it provides the insights and guidelines leaders in every field need.

Scout Pioneering Larry Green,2017-12-27 Scout Pioneering, Good Ol' Fashioned Outdoor Fun, is filled with all the information, illustrations, and instructions a unit needs to get an effective pioneering program off the ground and flourishing. Along with the author's first-hand experience as a Scout leader who has run successful pioneering programs in his own troop and at the Philmont Training Center, it draws upon the expertise of Scouting's most revered pioneering legends. Icing on the cake are over 250 pioneering-related photos bringing the text to life and capturing real Scouts in action, along with links to over 40 BSA-recognized how-to skill videos and Scout meeting activity videos. The Scout meeting activities are one of the book's highlights. Knowing how to present these involving pioneering challenges during troop meetings produces positive outcomes that are unparalleled in their capacity to engage Scouts while making fun happen! Another highlight of the book is the colorful section on camp gadgets. An array of these impressive campsite improvements was presented in the pioneering village at the national jamboree. It was fun to observe the jamboree participants' mouths open and sense their wheels turning, as youth and adult alike inspected them closely, asked questions, and took pictures in order to share the ideas with their troops back home. When John Thurman, camp chief at Gilwell for over twenty-five years, was asked, Why pioneering? His simple reply was, To me the over-riding reason for presenting pioneering is that boys like it. Lord Baden-Powell, Scouting's founder wrote, But there are reasons for pioneering other than the fact that boys like doing it. I am inclined to suggest to Scouters that in addition to the technical details of knotting, lashing, and anchorages, there is an educative value in pioneering since it gives elementary training in stresses, mensuration, etc., and it also develops initiative and resourcefulness. Additionally, it gives practice in team work and discipline. In other words, pioneering is practical and character building: the two essential ingredients of any program material for Scouts. A Scouting program consists of what Scouts DO! Providing a wide range of opportunities for fun, challenges, and personal growth, pioneering has all the qualities that keep Scouts involved and coming back for more. Amidst the wide spectrum of unique adventures available in Scouting, there's always an attraction to and fascination with what's termed, old school. Pioneering is all about using timeless skills to get things done and have a great time.
