Let the Sky Fall Shannon Messenger, 2013-03-05 A broken past and a divided future can't stop the electric connection of two teens in this epic series opener from the author of the New York Times and USA TODAY bestselling *Keeper of the Lost Cities* series. Seventeen-year-old Vane Weston has no idea how he survived the category five tornado that killed his parents. And he has no idea if the beautiful, dark-haired girl who's swept through his dreams every night since the storm is real. But he hopes she is. Seventeen-year-old Audra is a sylph, an air elemental. She walks on the wind, can translate its alluring songs, and can even coax it into a weapon with a simple string of commands. She's also a guardian—Vane's guardian—and

has sworn an oath to protect Vane at all costs. Even if it means sacrificing her own life. When a hasty mistake reveals their location to the enemy who murdered both of their families, Audra's forced to help Vane remember who he is. He has a power to claim—the secret language of the West Wind, which only he can understand. But unlocking his heritage will also unlock the memory Audra needs him to forget. And as the storm bears down on them, she starts to realize the greatest danger might not be the warriors coming to destroy them—but the forbidden romance that's grown between them.

After all, she didn't change her identity for nothing. Hiding her weirdness is just one of many challenges. By the end of her first day, she's claimed the soul of a dead girl on campus and lost the coin. Turns out, the coin gives others the ability to steal souls, and when a classmate ends up dead, there's no mistaking the murder weapon. Navigating the loss of her Poppa, the mistrust of her mother, the attention of gorgeous and enigmatic Shy, and Roundtable, an anonymous student gossip app threatening to expose her, are hard enough. Now she must find the person who stole her coin before more lives are lost, but that means making herself a target for the Order, an organization that governs the dead on Earth—and they want Anora and her powers for themselves.

If the Sky Falls Nicholas Montemarano, 2005-10-01 If the Sky Falls is the debut short-story collection from award-winning fiction writer Nicholas Montemarano. These eleven stories show why Jayne Anne Phillips has called Montemarano an American stylist capable of redeeming our darkest dreams. Redemption in these intense and sometimes violent stories is found in the lyrical prose, in the act of storytelling itself. A young man tries to rescue his sister from her abusive lover, and in the process must revisit his own family's violent history (Note to Future Self); a home healthcare worker pops pills and takes two men with cerebral palsy to a strip club (The Usual Human Disabilities); a man has a breakdown years after witnessing a brutal murder and doing nothing to help the victim (The Other Man). In The November Fifteen, a man is taken from his home and tortured, though he has no idea why; when he returns home he finds a different kind of torture awaiting him. Two of the stories -- Shift and the Pushcart Prize--winning The Worst Degree of Unforgivable -- are stylistic tours de force. But style in this collection is always at the service of story. Montemarano's fiction maintains that rare balance between traditional storytelling and experimentation: his work is innovative without being flashy, sincere without being sentimental. In an age of hype, If the Sky Falls truly is the real thing -- an original and important achievement in the short-story form.

Until the Sun Falls from the Sky Kristen Ashley, 2016-04-26 Leah Buchanan's family has been in service to vampires for five centuries. Even so, Leah wants nothing to do with her family's legacy. But when she's summoned to her Selection by the Vampire Dominion, under familial pressure, she has no choice but to go. Lucien has been living under the strict edicts of the Vampire Dominion for centuries but he's tired of these ancient laws stripping away everything that is the essence of the vampire. So he's taking it back. This is because Lucien has been watching and waiting for decades for Leah to become available for a Selection and he will not be limited with what he can do with her. He will have her, all of her. Therefore, Lucien is going to tame Leah, even if he gets hunted and killed for doing it. What neither Leah nor Lucien expects is the strong bond that will form between them, connecting them on unprecedented levels for mortals or immortals. And what will grow between them means they will challenge their ways of life and their union will begin the Prophecies which makes them one of three couples who will save humanity...or die in the effort.

When the Sky Fell on Splendor Emily Henry, 2019-03-12 From the #1 New York Times bestselling author of People We Meet on Vacation, Emily Henry's A Song Below Water meets Stranger Things novel is a gripping story about a group of friends in a small town who find themselves dealing with unexpected powers after a cosmic event. Almost everyone in the small town of Splendor, Ohio, was affected when the local steel mill exploded. If you weren't a casualty of the accident yourself, chances are a loved one was. That's the case for seventeen-year-old Franny, who, five years after the explosion, still

has to stand by and do nothing as her brother lies in a coma. In the wake of the tragedy, Franny found solace in a group of friends whose experiences mirrored her own. The group calls themselves The Ordinary, and they spend their free time investigating local ghost stories and legends, filming their exploits for their small following of YouTube fans. It's silly, it's fun, and it keeps them from dwelling on the sadness that surrounds them. Until one evening, when the strange and dangerous thing they film isn't fiction--it's a bright light, something massive hurtling toward them from the sky. And when it crashes and the teens go to investigate...everything changes.

The Falling Sky Davi Kopenawa, Bruce Albert, 2023-01-31 Anthropologist Bruce Albert captures the poetic voice of Davi Kopenawa, shaman and spokesman for the Yanomami of the Brazilian Amazon, in this unique reading experience—a coming-of-age story, historical account, and shamanic philosophy, but most of all an impassioned plea to respect native rights and preserve the Amazon rainforest.

When I Fell From The Sky Juliane Koepcke, 2012-03-22 On December 24th 1971, the teenage Juliane boarded the packed flight in Peru to meet her father for Christmas. She and her mother fought to get some of the last seats available and felt thankful to have made the flight. The LANSA airplane flew into a heavy thunderstorm and went down in dense Amazon jungle hundreds of miles from civilization. She fell two miles from the sky, still strapped to her plane seat, into the jungle. She was the sole survivor among the 92 passengers, which included her mother, and Juliane's unexplainable survival has been called a modern-day miracle. With incredible courage, instinct and ingenuity, she crawled and walked alone for eleven days in the green hell of the Amazon. She survived using the skills she'd learned in assisting her parents on their research trips into the jungle before coming across a loggers hut, and, with it, safety. Now she tells her fascinating story for the first time and on its 40th anniversary she shares not only the private moments of her survival and rescue but her inspiring life in the wake of the disaster.

Let the Wind Rise Shannon Messenger, 2017-04-25 The breathtaking action and romance build to a climax in this thrilling conclusion to the Sky Fall trilogy from the New York Times and USA TODAY bestselling author of the Keeper of the Lost Cities series. He'll do whatever it takes, including storming Raiden's icy fortress with the three people he trusts the least. Anything to bring Audra home safely. But Audra won't wait for someone to rescue her. She has Gus—the guardian she was captured with. And she has a strange “guide” left behind by the one prisoner who managed to escape Raiden. The wind is also rising to her side, rallying against their common enemy. When the forces align, Audra makes her play—but Raiden is ready. Freedom has never held such an impossible price, and both groups know the sacrifices will be great. But Vane and Audra started this fight together. They'll end it the same way.

Heir to the Sky Amanda Sun, 2016 As heir to a kingdom of floating continents, Kali has spent her life bound by limits: by

her duties as a member of the royal family, by a forced betrothal to the son of a nobleman, and by the edge of the only world she's ever known a small island hovering above a monster-ridden earth, long since uninhabited by humans. When Kali falls off the edge of her kingdom and miraculously survives, she is shocked to discover there are still humans on the earth. Determined to get home, Kali entrusts a rugged monster-hunter named Griffin to guide her across a world overrun by chimera, storm dragons, basilisks and other terrifying creatures. But the more time she spends on earth, the more dark truths she begins to uncover about her home in the sky, and the more resolute she is to start burning for herself.--Page [4] of cover.

Chicken Little Parragon, Incorporated, 2002 When an acorn hits him on the head, Chicken Little is joined by several other silly birds as he sets off to warn the king that the sky is falling.

What Falls from the Sky Esther Emery, 2016-12-13 Esther Emery was a successful playwright and theater director, wife and mother, and loving it all - until, suddenly, she wasn't. When a personal and professional crisis of spectacular extent leaves her reeling, Esther is left empty, alone in her marriage, and grasping for identity that does not define itself by busyness and a breakneck pace of life. Something had to be done. *What Falls from the Sky* is Esther's fiercely honest, piercingly poetic account of a year without Internet - 365 days away from the good, the bad, and the ugly of our digital lives - in one woman's desperate attempt at a reset. Esther faces her addiction to electronica, her illusion of self-importance, and her longing to return to simpler days, but then the unexpected happens. Her experiment in analog is hijacked by a spiritual awakening, and Esther finds herself suddenly, inexplicably drawn to the faith she had rejected for so long. Ultimately, Esther's unplugged pilgrimage brings her to a place where she finally finds the peace - and the God who created it - she has been searching for all along. *What Falls from the Sky* offers a path for you to do the same. For all the ways the Internet makes you feel enriched and depleted, genuinely connected and wildly insufficient, *What Falls from the Sky* reveals a new way to look up from your screens and live with palms wide open in a world brimming with the good gifts of God.

What It Means When A Man Falls From The Sky Lesley Nneka Arimah, 2017-04-06 'Remarkable range and exquisite prose' Ayobami Adebayo, Guardian Books of the Year A stunning collection of short stories from Caine-Prize shortlisted and Commonwealth Writer's Prize winner Lesley Nneka Arimah, *WHAT IT MEANS WHEN A MAN FALLS FROM THE SKY* has been described as 'luminous' (Roxane Gay), 'mesmeric' (Claire Vaye Watkins) and 'hilarious and heartbreaking' (Rowan Hisayo Buchanan). Shot through with magic and a powerful sense of yearning, this is a diverse and dazzling collection that showcases the work of a major new talent at the beginning of a stellar literary career. 'When Enebeli Okwara sent his girl out in the world, he did not know what the world did to daughters'. The daughters, wives and mothers in Lesley Nneka Arimah's remarkable debut collection find themselves in extraordinary situations: a woman whose mother's ghost appears to have stepped out of a family snapshot, another who, exhausted by childlessness, resorts to fashioning a charmed infant out of

human hair, a 'grief worker' with a miraculous ability to remove emotional pain - at a price. What unites them is the toughness of the world they inhabit, a world where the future is uncertain, opportunities are scant, and fortunes change quicker than the flick of a switch. Characterised by their vividness, immediacy and the author's seemingly endless ability to conjure worlds at once familiar and unsettlingly different, this collection showcases the work of an extraordinarily talented writer at the start of a brilliant career.

The House in the Woods Yvette Fielding, 2021-09-30 Stranger Things meets Point Horror in the first of a brilliant new series for readers aged 11+ from Yvette Fielding, British television's first lady of the paranormal and presenter of Most Haunted. When Clovis, Eve and Tom decide to play with a ouija board in an old abandoned house on Halloween, none of them foresees the horrors they're about to unleash. What starts out as a bit of fun, soon transcends into something far more terrifying when a distressed and determined spirit follows them home. Before long the friends are caught up in a series of events beyond their wildest imaginings and their journey as ghost hunters begins . . . 'When I grow up I wanna be a ghost hunter!' Keith Lemon 'If you're reading this scary book in bed then it might be wise to leave the landing light on' Paul O'Grady 'I'm too scared to read this!' Matt Lucas
