**Sophie Kirtley**

My Brother Charlie Holly Robinson Peete, Ryan Elizabeth Peete, 2016-04-26 From bestselling author and actress Holly Robinson Peete--a heartwarming story about a boy who happens to be autistic, based on Holly's son, who has autism. Charlie has autism. His brain works in a special way. It's harder for him to make friends. Or show his true feelings. Or stay safe. But as his big sister tells us, for everything that Charlie can't do well, there are plenty more things that he's good at. He knows the names of all the American presidents. He knows stuff about airplanes. And he can even play the piano better than anyone he knows. Actress and national autism spokesperson Holly Robinson Peete collaborates with her daughter on this book based on Holly's 10-year-old son, who has autism.

**Dear Charlie** Natália Gomes, 2016-10-20 Perfect for fans of 13 Reasons Why. 'A gripping, eye-opening YA novel that I wish I could put in everyone's hands.' Pretty Little Memoirs \*\*\*\*\*

**Same But Different: Teen Life on the Autism Express** Holly Robinson Peete, RJ Peete, Ryan Elizabeth Peete, 2016-02-23 Talk show host Holly Robinson Peete pairs with her twins in this narrative about the challenges and triumphs of being a teen who has autism and the effects on family, school, friends, and life. Being a teen is hard enough. But when you have autism--or when your brother or sister is struggling with the disorder--life can be challenging. It's one thing when you're a kid in grade school, and a playdate goes south due to autism in a family. Or when you're a little kid, and a vacation or holiday turns less-than-happy because of an autistic family member. But being a teen with autism can get pretty hairy--especially when you're up against dating, parties, sports, body changes, school, and other kids who just don't 'get' you. In this powerful book, teenagers Ryan Elizabeth Peete and her twin brother, Rodney, who has autism, share their up-close-and-personal experiences on what it means to be a teen living with autism. SAME BUT DIFFERENT, explores the funny, painful, and unexpected aspects of teen autism, while daring to address issues nobody talks about. SAME BUT DIFFERENT underscores tolerance, love, and the understanding that everybody's unique drumbeat is worth dancing to.

**Brave Like My Brother** Marc Tyler Nobleman, 2016-06-28 The action of WWII comes alive in this chapter book through American soldier Joe's letters home to his younger brother, Charlie! When Charlie's brother, Joe, is called up to fight in World War II, he promises to write letters to ten-year-old Charlie as often as he can. It won't make up for not being there to help Charlie out with the neighborhood bullies, but it's all Joe can do. Life is tough for a soldier, and Joe tells Charlie all about it,

from long hikes in endless rain and mud to the stray dog his company adopts. But when Joe is sent on a secret mission with the one soldier he can't stand, he will have to face risks that place their mission -- and their lives -- in grave danger. Charlie knew his brother was strong, but he will discover that Joe is more of a hero than he lets on. Will Joe's letters give Charlie the strength to stand up for himself and be brave, too?

Charlie Makes a Splash! Holly Robinson Peete, Shane W. Evans, 2022-09-06 The award-winning team who brought us MY BROTHER CHARLIE presents a companion book that celebrates the power of water for those who have autism. Like many kids on the autism spectrum, Charlie finds solace and empowerment in pools, ponds, sprinklers, visiting the aquarium, and swimming in the ocean. Through his adventures and discoveries, he shows the world that even though he has autism, autism doesn't have him. In this beautiful ode to the love between siblings Callie and Charlie, we return to the characters from our award-winning book MY BROTHER CHARLIE, who bring whimsy to everyday fun for all children, while showing readers that kids who may experience the world in different ways can help us see the wonders of swimming to your own rhythm.

But when Charlie sets off back to the hospital to fetch help, it seems the forest has changed. It's become a place as strange and wild as the boy dressed in deerskins. For Charlie has unwittingly fled into the Stone Age, with no way to help the boy or return to the present day. Or is there? What follows is a wild, big-hearted adventure as Charlie and the Stone Age boy set out together to find what they have lost - their courage, their hope, their family and their way home. *Charlie and Me* Mark Lowery, 2018-01-11 Thirteen-year-old Martin and his younger brother Charlie are on a very special journey. They're going to be travelling 421 miles all the way from Preston to the very tip of Cornwall. By train, bus and taxi, they are determined to get there in the end; and they're hoping to catch a glimpse of the dolphin that regularly visits the harbour there. But is that the only reason they are going? It's a journey that's full of challenges and surprises. Martin adores his brother Charlie but he's not like ordinary kids. He's one in a million. He was born far too early, and ought to have died. And cheeky, irrepressible, utterly unique Charlie is always keeping Martin on his toes - especially on this crazy trip they are now on. Martin is doing his best to be a good big brother, but it's hard when there's something so huge coming once they get

to Cornwall ... An unforgettable novel that is by turns funny and heartbreaking.

***Cheeky Charlie*** Mat Waugh, 2015-03-21 My book is about all the naughty things that my brother Charlie has done. Some of it is funny, some of it is a bit sad, and lots of it is disgusting, because that's what Charlie can be. It might even make you be sick, so get ready. These laugh-out-loud short stories are all about Charlie, a small, curious boy that pushes his luck... and then gives it another shove, just to see what will happen. It's how Mum ends up straddling a baggage carousel, Dad finds himself over-exposed at the pool, and a stranger gets a mouthful of stinky cheese. Primary-aged children up will love these warm, witty and occasionally revolting tales, narrated by Charlie's long-suffering sister. They're perfect as bedtime stories, or for reading by older kids, giggling by torchlight under the duvet.
