My Brother Charlie Holly Robinson Peete, Ryan Elizabeth Peete, 2016-04-26 From bestselling author and actress Holly Robinson Peete--a heartwarming story about a boy who happens to be autistic, based on Holly's son, who has autism. Charlie has autism. His brain works in a special way. It's harder for him to make friends. Or show his true feelings. Or stay safe. But as his big sister tells us, for everything that Charlie can't do well, there are plenty more things that he's good at. He knows the names of all the American presidents. He knows stuff about airplanes. And he can even play the piano better than anyone he knows. Actress and national autism spokesperson Holly Robinson Peete collaborates with her daughter on this book based on Holly's 10-year-old son, who has autism.

Same But Different: Teen Life on the Autism Express Holly Robinson Peete, RJ Peete, Ryan Elizabeth Peete, 2016-02-23 Talk show host Holly Robinson Peete pairs with her twins in this narrative about the challenges and triumphs of being a teen who has autism and the effects on family, school, friends, and life. Being a teen is hard enough. But when you have autism--or when your brother or sister is struggling with the disorder--life can be challenging. It's one thing when you're a kid in grade school, and a playdate goes south due to autism in a family. Or when you're a little kid, and a vacation or holiday turns less-than-happy because of an autistic family member. But being a teen with autism can get pretty hairy--especially when you're up against dating, parties, sports, body changes, school, and other kids who just don't 'get' you. In this powerful book, teenagers Ryan Elizabeth Peete and her twin brother, Rodney, who has autism, share their up-close-and-personal experiences on what it means to be a teen living with autism. *SAME BUT DIFFERENT*, explores the funny, painful, and unexpected aspects of teen autism, while daring to address issues nobody talks about. *SAME BUT DIFFERENT* underscores tolerance, love, and the understanding that everybody's unique drumbeat is worth dancing to.

Cheeky Charlie Mat Waugh, 2015-03-21 My book is about all the naughty things that my brother Charlie has done. Some of it is funny, some of it is a bit sad, and lots of it is disgusting, because that's what Charlie can be. It might even make you be sick, so get ready. These laugh-out-loud short stories are all about Charlie, a small, curious boy that pushes his luck... and then gives it another shove, just to see what will happen. It's how Mum ends up straddling a baggage carousel, Dad finds himself over-exposed at the pool, and a stranger gets a mouthful of stinky cheese. Primary-aged children up will love these warm, witty and occasionally revolting tales, narrated by Charlie's long-suffering sister. They're perfect as bedtime stories, or

for reading by older kids, giggling by torchlight under the duvet.

Charlie Makes a Splash! Holly Robinson Peete, Shane W. Evans, 2022-09-06 The award-winning team who brought us MY BROTHER CHARLIE presents a companion book that celebrates the power of water for those who have autism. Like many kids on the autism spectrum, Charlie finds solace and empowerment in pools, ponds, sprinklers, visting the aquarium, and swimming in the ocean. Through his adventures and discoveries, he shows the world that even though he has autism, autism doesn't have him. In this beautiful ode to the love between siblings Callie and Charlie, we return to the characters from our award-winning book MY BROTHER CHARLIE, who bring whimsy to everyday fun for all children, while showing readers that kids who may experience the world in different ways can help us see the wonders of swimming to your own rhythm.

Brave Like My Brother Marc Tyler Nobleman, 2016-06-28 The action of WWII comes alive in this chapter book through American soldier Joe's letters home to his younger brother, Charlie! When Charlie's brother, Joe, is called up to fight in World War II, he promises to write letters to ten-year-old Charlie as often as he can. It won't make up for not being there to help Charlie out with the neighborhood bullies, but it's all Joe can do. Life is tough for a soldier, and Joe tells Charlie all about it, from long hikes in endless rain and mud to the stray dog his company adopts. But when Joe is sent on a secret mission with the one soldier he can't stand, he will have to face risks that place their mission -- and their lives -- in grave danger. Charlie knew his brother was strong, but he will discover that Joe is more of a hero than he lets on. Will Joe's letters give Charlie the strength to stand up for himself and be brave, too?

Charlie and Me Mark Lowery, 2018-01-11 Thirteen-year-old Martin and his younger brother Charlie are on a very special journey. They're going to be travelling 421 miles all the way from Preston to the very tip of Cornwall. By train, bus and taxi, they are determined to get there in the end; and they're hoping to catch a glimpse of the dolphin that regularly visits the harbour there. But is that the only reason they are going? It's a journey that's full of challenges and surprises. Martin adores his brother Charlie but he's not like ordinary kids. He's one in a million. He was born far too early, and ought to have died. And cheeky, irrepressible, utterly unique Charlie is always keeping Martin on his toes - especially on this crazy trip they are now on. Martin is doing his best to be a good big brother, but it's hard when there's something so huge coming once they get to Cornwall ... An unforgettable novel that is by turns funny and heartbreaking.

During the night he looks back at his short but joyful past growing up in rural Devon: his exciting first days at school; the accident in the forest that killed his father; his adventures with Molly, the love of his life; and the battles and injustices of war that brought him to the front line. Winner of the Blue Peter Book of the Year, *Private Peaceful* is by the third Children's Laureate, Michael Morpurgo, award-winning author of *War Horse*. His inspiration came from a visit to Ypres where he was shocked to discover how many young soldiers were court-martialled and shot for cowardice during the First World War. Joyful, irreverent and totally uplifting' THE TIMES 'Hilarious. A riot from start to finish' DAILY EXPRESS 'Bloody brilliant, like the woman herself' HEAT _____ I've always had an over-active imagination and felt the urge to be a massive f**king show-off so acting seemed like the obvious choice of career. There was never anything else I wanted to do more. But fulfilling my ambition wasn't going to be easy . . . I grew up battling rural poverty which was a struggle enough but my family were completely insane to boot. Together with my brother Charlie, I staggered my way through adolescence from one drama to the next until finally, after years of trying, we had This Country commissioned by the BBC. By sharing tales of how I accidentally auditioned to be a pole-dancer to being catfished by a one-armed internet boyfriend, I answer all of life's great mysteries: Could I count wall plaster as one of my five-a-day? Would I find the afterlife in the back of a shitty pub? Who dropped the monster turd at the fake audition? And just how much of a humiliating, ridiculous, screw-up of a s**t-storm life did I need to lead before I could finally realise my dream?
