The House on Mango Street Sandra Cisneros, 2013-04-30 NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. “Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.” —The New York Times Book Review The House on Mango Street is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. “In English my name means hope,” she says. “In Spanish it means too many letters. It means sadness, it means waiting. Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros’s masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis’s *Main Street* or Toni Morrison’s *Sula*, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one’s story and of being proud of where you’re from.

The Mango Season Amulya Malladi, 2019-04-06 From the bestselling author of *A House for Happy Mothers*, this beautiful novel takes us to modern India during the height of the summer's mango season. Priya Rao left India when she was twenty to study in the U.S., and now seven years later she has to return to give her family the news: She's engaged to Nick Collins, an American man. It's going to break their hearts. Returning to India is an overwhelming experience for Priya. Her mother and father, her grandfather and grandmother, her aunts and uncles, they all insist that it's time they arranged her marriage to a nice Indian boy. As Priya's extended family gets together to make mango pickle, she knows this is her chance to tell them the truth. Will she have to choose between the love of her family and Nick, the love of her life? As sharp and intoxicating as fresh sugarcane juice, *The Mango Season* is a delightful trip into the heart and soul of both contemporary India and a woman on the edge of a profound life change. *The Mango Season* touches on a very human conflict with delicacy and humor. [This] is a lovely novel, filled with the small details and sensual evocations of life in India without neglecting the claustrophobic aspect of that life. The tug in Priya's heart is genuine. - *The Washington Times*

Caring Hearts and Critical Minds Steven Wolk, 2023-10-10 Imagine if going to school meant more than preparing kids for a test, teaching a canned curriculum, and training students for their future as workers. What if school were also about cultivating students to be caring, community-involved citizens and critical, creative thinkers who love to read? In *Caring Hearts & Critical Minds*, teacher-author Steven Wolk shows teachers how to help students become better readers as well as better people. I want [my students] to be thinkers and have rich conversations regarding critical issues in the text and be

able to formulate opinions regarding these issues, says Leslie Rector, a sixth-grade teacher who collaborated with Wolk on some of the units featured in this book. Wolk demonstrates how to integrate inquiry learning, exciting and contemporary literature, and teaching for social responsibility across the curriculum. He takes teachers step-by-step through the process of designing an inquiry-based literature unit and then provides five full units used in real middle-grade classrooms. Featuring a remarkable range of recommended resources and hundreds of novels from across the literary genres, *Caring Hearts & Critical Minds* gives teachers a blueprint for creating dynamic units with rigorous lessons about topics kids care about—from media and the environment to personal happiness and global poverty. Wolk shows teachers how to find stimulating, real-world complex texts called for in the Common Core State Standards and integrate them into literature units. I know from experience that a great book changes the reader, says Karen Tellez, an eighth-grade teacher featured in the book. For me, books have helped me escape, fall in love, recover from heartbreak, and have broken open my mind from the age of twelve. . . . I hope [my students] gain better reading comprehension, confidence as readers, connections to the characters and events, a curiosity for the world, and tolerance for others. *Caring Hearts & Critical Minds* shows teachers how to turn these hopes and goals into reality.
