**Lacey, Wells and Quick Reconstructing Criminal Law** Celia Wells, Oliver Quick, 2010-05-27 Since the publication of the first edition, this textbook has offered one of the most distinctive and innovative approaches to the study of criminal law. Looking at both traditional and emerging areas, such as public order offences and corporate manslaughter, it offers a broad and thorough perspective on the subject. Material is organised thematically and is clearly signposted at the beginning of each section to allow the student to navigate successfully through the different fields. This fourth edition looks at topical issues such as policing, the Serious Crime Act 2007, and reform of the Fraud Act 2006. Relevant case law and extracts from the most topical and engaging debates on the subject give the subject immediacy. The book is essential for both undergraduate and postgraduate study of criminal law and justice.

**Test Yourself in Evidence, Civil Procedure, Criminal Procedure and Sentencing** The City Law School, 2007

Providing over 130 challenging multiple-choice questions, together with note-form answers, this book is the ideal revision aid for students on the Bar Vocational Course. Test Yourself allows students to quickly and easily reinforce their knowledge of key principles, procedures and leading cases in the areas of evidence, civil procedure, criminal procedure and sentencing. Offering students the opportunity to practice undertaking multiple-choice questions, which may be similar to those met in assessments, Test Yourself can be used as a tool by students to not only test their knowledge and comprehension of key legal principles, but can also be used to identify any weaknesses in knowledge, indicating areas where further study is required. Answers to all questions are provided at the end of the tests, along with accompanying feedback sections which fully explain the answer to each question, and which also provide useful tips on how to approach such questions in an exam, providing an excellent starting point for further revision.

**A Quick Reference Guide To Contemporary CRIMINAL PROCEDURE For Law Enforcement Officers** Mark E. Bannon, 2003-01-01 The goal of this book is to provide a quick reference guide for law enforcement officers in their quest to furnish professional police services to their communities. Designed to be a handy source for the study of criminal procedures, this guide has assembled numerous court cases that will assist officers in dealing with the issues they may often encounter. Additionally, this book will be useful as a training aid in roll call and promotional examinations. Major topics include; (1) arrest and entry to make arrests; (2) detention and search of persons; (3) search and seizure defined; (4) search incident to arrest; (5) vehicle searches; (6) consent to search; (7) Plain View and Plain Feel Doctrines; (8) inventory searches; (9) Open Fields and aerial surveillance; (10) Exclusionary Rule and Fruit of the Poisonous Tree; (11) police interrogation; (12) probable cause; (13) use of informants; and (14) entrapment. Question and answer sections appear at the end of each chapter that will assist in applying the rules of law discussed in the cases that are presented. This book will be useful for police academics and/or undergraduate criminal procedure studies.
